## 'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

### Teachers' Notes

#### Drôle de vocabulaire

This light-hearted activity is about French words which sound quite funny. Pupils have to read 10 words and their definitions and match them to pictures. Understanding the definitions will involve looking up a few words.

You could provide a recording of the words for pronunciation practice, or challenge pupils to use their phonics skills to work out how to pronounce them.
