'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

Teachers' Notes

A taste of literature

Jacques Prévert's writings can be challenging because of his frequent plays on words, but I was determined to include one of his little gems in these resources (nostalgia?).

I think and hope the sketch **L'ADDITION** will be accessible to many pupils. The idea is that reading my partial translation and filling the gaps will help them understand the sketch.

Suggested extra activity: give pupils a recording of the sketch for reading aloud practice?
