## 'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

### Resource 24

#### Teachers' Notes

##### "Avez-vous déjà vu...?"

**Resource 24** is based on mini-sketches from the *Avez-vous déjà vu...?* series shown on TV in France and Quebec (and possibly other countries I am not aware of). The activity is not about understanding the sketches (some of them actually do not have speech) but about understanding the PowerPoint speech bubbles. Pupils may have to look some words up. **Resource 24a** is easier than **Resource 24b** as it is based on fewer sketches.

A word of warning: watching *Avez-vous déjà vu...?* sketches can become somewhat addictive...
