

Martine -> Linguascope -> MFL teachers

## 'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

### Resource 25

#### Teachers' Notes

##### Blitz on question forms

Resource 22 was about selecting suitable answers in response to one question only.

**Resource 25** is about matching multiple answers to multiple questions.

##### Answers

The first answer suggested here for each question is (perhaps) the most obvious one. The answers in brackets are also suitable.

1. f   2. g   3. e (f, i)   4. i (e, f)   5. a (b)   6. c (d)   7. (b)   8. h (e)   9. j (e)   10. d

A few other answers not included here may also be suitable... at a pinch.
