'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

Teachers' Notes

Creating sentences – *Crocodiles*

This is a simple but effective activity style which I included in my self-published resource pack *Zappy lessons starters for KS3-4 French*.

Depending on how much French your pupils know, you could add challenges such as:

- ❖ at least 00 negative sentences
- ❖ at least 00 comparative sentences
- ❖ at least 00 sentences re. the past / the present / the future.
