'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

Translation – *Est-ce que tu aimerais...?*

This draws on an activity from my self-published pack *Zappy lessons starters for KS3-4 French*, but I have written fresh items for this resource. For differentiation purposes, you could simply ask some pupils to attempt items 1-8 only.
