'Hard Times' MFL resources

Martine Pillette – mjppillette@aol.com

Dear MFL teachers,

First of all, I hope you are keeping well. On *Linguascope's* suggestion I have decided to write three weekly sequences of activities doable from home to help you during school closures due to COVID-19. The activities will be re. y7-8 French (y7-8 trickier to cater for in the current circumstances?) but easily adaptable to other languages. Some of the activities might not be as 'polished' as they would be in ordinary circumstances, but I hope they will help.

Very best wishes in these difficult times,

Martine

Brain Teasers

A little light relief? Maybe not all pupils will agree...

As an extra, you could ask pupils to make up an activity along the same lines as Brain Teaser 1.

Answer to Brain Teaser 2

En juillet, je vais passer mes vacances avec ma famille dans une petite ville très jolie dans le centre de la France.
