My mother is a music teacher. She loves her job because she likes working with children and she loves playing the piano. I love music too. I love playing guitar and singing. When I was little, I used to play with my little plastic guitar. I was really cute!*

Also, when I was two or three, I used to sleep with my teddy bear. His name was Lewis. I like to eat. I love fruit and I eat vegetables but I don't eat mushrooms because I find them disgusting!
