**13** Read the text below and then answer the questions in your own language.

Hi, my name is Chloe and I'm fifteen years old. I go to a secondary school called Bellevue. It's a co-educational school in Toulouse, France, near where I live. The school building is old and grey, but there are lots of trees in front and behind it. We also have tennis courts and a football pitch. There are three floors. On the ground floor, there are all the offices: the secretary's office, the headmaster's office, the staffroom and the infirmary. The library, canteen, toilets and labs are also on the ground floor. The first and second floors contain the classrooms. There are seventy teachers and nine hundred students. I like all my subjects but my favourite is Art because I'm creative and I like music too. I play the piano and the guitar and I sing in a choir. I don't think there are many serious problems at my school, but my friend Élodie thinks that the teachers give her too much homework and there's a stressful atmosphere. In general, the behaviour in class is very good, but sometimes the boys can be quite silly! Last month, I went to England with my school. We visited London for five days. It was fantastic. We visited the Tower of London, had a picnic in Hyde Park and took a boat trip on the Thames. Then we went shopping and saw a show in a theatre. It was great! I like the school where I study but my ideal school would be very modern with more computers. I'd like to start lessons later because at the moment they start at eight in the morning. That's too early! I don't like waking up early! I love my bed! Chloe

\_\_\_\_\_
- What are the problems at Chloe's school?  
\_\_\_\_\_
- When did Chloe go to London and what did she do there?  
\_\_\_\_\_  
\_\_\_\_\_
- Describe Chloe's ideal school.  
\_\_\_\_\_
